How to guide

Teachers logging in for the first time will be required to set a new password.
This password will be remembered on the device for future use.

Top tip: Bookmark the website for easy navigation in the future.

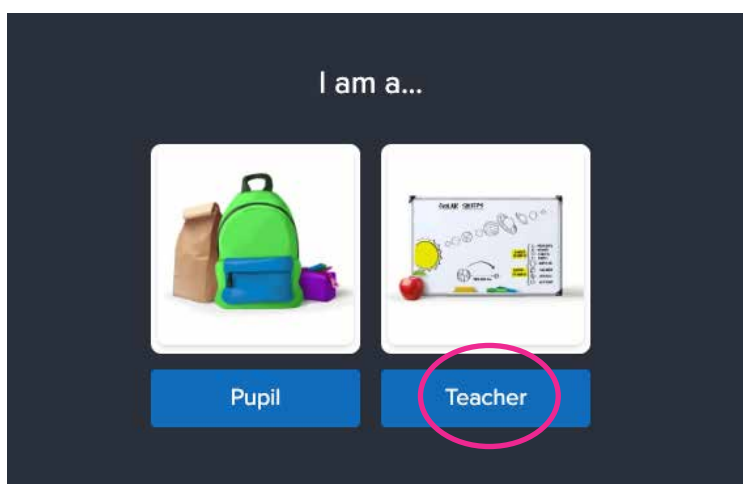

Step 1

To log in to your teacher account, you need to go to the Discovery Education website at <https://www.discoveryeducation.co.uk/>
Click 'Login'

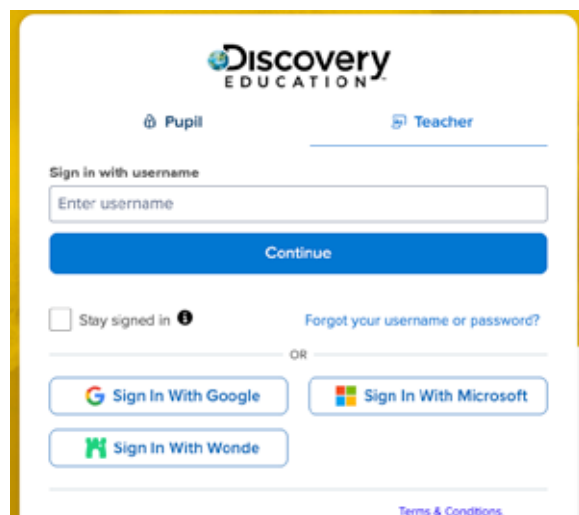

Step 2

When prompted, select 'Teacher' on the following page.

Step 3

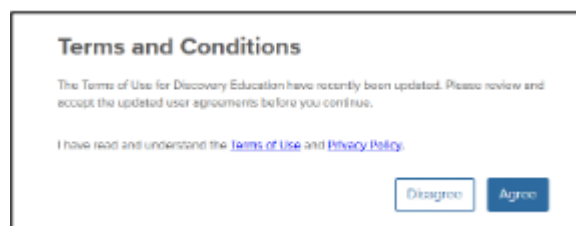

Enter the login details that were provided by the Reading Plus Support Team.

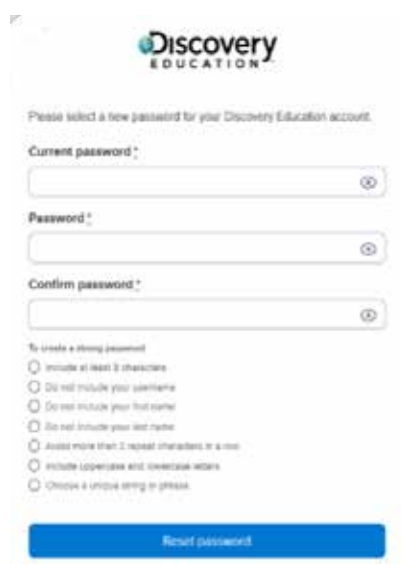

The image shows the Discovery Education login interface. At the top, there's a header with the Discovery Education logo and two tabs: 'Pupil' (selected) and 'Teacher'. Below the tabs, there's a 'Sign in with username' section with a text input field labeled 'Enter username' and a blue 'Continue' button. Underneath, there's a checkbox for 'Stay signed in' and a link for 'Forgot your username or password?'. Below this, there's an 'OR' separator and three social login buttons: 'Sign In With Google', 'Sign In With Microsoft', and 'Sign In With Wonde'. At the bottom right, there's a link for 'Terms & Conditions'.

Step 4

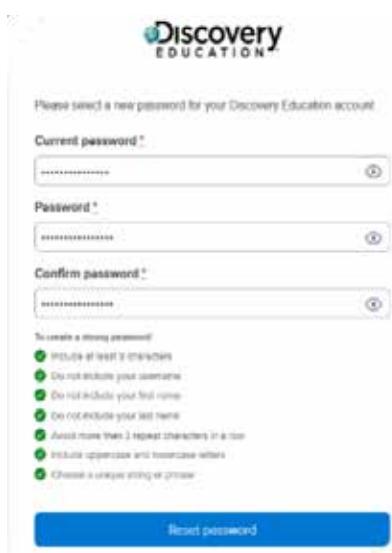

Accept the terms and conditions, and **create a new password** for your account.

The image shows the 'Terms and Conditions' page. It has a title 'Terms and Conditions' and a paragraph stating: 'The Terms of Use for Discovery Education have recently been updated. Please review and accept the updated user agreements before you continue.' Below this, there's a line of text: 'I have read and understand the [Terms of Use](#) and [Privacy Policy](#).' At the bottom, there are two buttons: 'Disagree' and 'Agree'.

The image shows the 'Reset password' page. It has the Discovery Education logo at the top. Below it, there's a heading 'Please select a new password for your Discovery Education account.' followed by three password input fields: 'Current password *', 'Password *', and 'Confirm password *'. Each field has a small eye icon to toggle visibility. Below the fields, there's a section titled 'To create a strong password' with a list of requirements: 'Include at least 8 characters', 'Do not include your username', 'Do not include your first name', 'Do not include your last name', 'Avoid more than 2 repeat characters in a row', 'Include uppercase and lowercase letters', and 'Choose a unique string or phrase'. At the bottom, there's a blue button labeled 'Reset password'.
